# The Year 1972 was A Time For Us

Passing through these doors  
one last time  
Remembering countless times our shadows darkened  
many doorways at F.C.H.S.  
during our five years of school  
Haunting the guidance office  
seeking advice and information  
Trudging to the Administration Office  
receiving answers expected of our questions  
Helping us realize  
1972 was  
"a time for us"

yourself at home, and when I have  
some problems I hope I can come  
and talk them over with you.

Best Wishes,  
Elaine Boyd

P.S. Try not to forget one of your  
smallest students.

To one of the nicest  
teacher ever. Although  
you and I have to  
throw out our little  
comments to each  
other. I really have  
enjoyed my Home Ec.  
classes for the past  
two years. I sure  
hate you're going  
to be leaving me  
here without anyone  
to ask about my  
problems with "Hogshod"  
and the rest of  
Possum Hollow guys.  
Well, I hope to  
see you this summer  
and in the future  
years.

Best Wishes,  
Phyllis

P.S. I be sure  
to come talk to  
you before I get  
married. "Have fun  
at home." Ha! Ha!

Dear Mrs. Gardner,

I've have really learned a lot these past two years in your class. Probably more than I had learned in all my other years and classes. Thank you for helping me in FHA and this Class. I'll always remember you and this Class. Take care of yourself and May God Bless You

Mrs. Gardner,

I don't know what I'm going to do next year when third period comes and I can't go to Home Ex. After two years of coming down here the same period it's going to be hard to stop. I would just like you to know that you've taught me more than anyone in my life and I think you'll see that the truth. Have a wonderful summer. I sure will miss you next year.

Best Wishes,

Mrs. Gardner,  
I have liked this class about as good as I've learned a whole lot of years without me some good work, and what I've learned in here will do me some good and I doubt I've learned in any other class. Good luck to a really nice person.

Mrs. Gardner,

You have really been a nice teacher  
this year. You have tried hard to teach  
each and everyone of us in 4th period,  
and you have had success. Wish you  
weren't retiring, but I guess you soon get  
tired of trying to keep your cool with us.  
I wish you the best of luck in the future  
and a lot of happiness.

Your student & friend,  
Nancy Jones

you have a nice time at  
home and with your
